

Revelstoke Nordic Club Dog Code of Conduct

For the 2010/11 Ski season, the Revelstoke Nordic Club is pleased to announce the trial of a dog friendly trail. The loop will leave the parking lot north on Roadway Ramble to Easy Al's, west on Short Hop and returning south on BCIT, Forest Lane and Roadway Ramble.

The Dog Friendly loop will be on a one season trial basis. It's safety and success will be assessed as the season progresses. In consideration of other members, please respect the following rules.

Dogs are only allowed on the Dog Friendly loop (North on Roadway Ramble, Easy Al's, west on Short Hop and returning south on BCIT, Forest Lane and Roadway Ramble) **and on Main Loop to Mountain Climb. Dogs are not permitted on any other Nordic Trail.**

The Parking Lot and stadium area is a mandatory leash area for all dogs at all times. Please respect that the parking lot is shared with children and other members. Dogs must be on leash within 200 meters of the parking lot. Special care should be taken particularly on Saturday mornings during Ski League activities.

It is the dog owners responsibility to clean up after your pet. Please make sure you have bags with you and are closely monitoring your dog.

Dogs are not permitted in or around the Lodge.

Please respect other skiers. Keep your dog in control at all times. Please prevent your dog from getting in the way of other skiers. We hope to have a successful dog skiing season!
