

Revelstoke Nordic

SKI REPORT

February 2010, Volume 14, Issue 1

Ski Lodge

The Lodge is moving along according to plan. We are on budget and on time. Thanks to the volunteers who have helped out so far, and to Bob Dickson and his crew!

Box 1618, Revelstoke, BC.

Junior Development Dryland Training

The Revelstoke Nordic Junior Development is hosting the Thompson Okanagan Regional Dryland Camp this year. Each year, kids from the ages of 10-15 gather for a Regional Dryland Camp and this year Revelstoke has been chosen to host the camp. About 50 kids will be coming to kick start their dryland season and will be participating in roller skiing, trail running, cross country specific exercises as well as learning about sports specific nutrition and training techniques. Dates for the camp are October 1st through the 3rd. If there are any members willing to lend a hand please contact Wade Viznaugh at 250-837-2775.

Care Taker

The lodge includes a beautiful apartment on the top floor. The Club is currently accepting applications for a live in Caretaker. This is an amazing opportunity to live and play at the Macpherson trailhead. For a full job description, check out revelstokenordic.org. Please send a letter, resume and references to info@revelstokenordic.org

Volunteers Needed

We are seeking skilled volunteers for Day Lodge development. Specifically, if you are able to help with insulation, siding, drywall or painting, we need YOU! Please send an email to info@revelstokenordic.org if you can help out.

WISHLIST

We are looking for a number of items for the interior of the Lodge. Have you upgraded your appliances lately? Have you installed new kitchen cupboards? Here are some things we are looking for:

Stove, Fridge, Cupboards, Cutlery, Apartment size washer/dryer, sinks, dining table and chairs, couch etc.

We want the Lodge to be low maintenance, so we are only looking for well working appliances and items in good shape.

If you can help with any of these items (or anything else you have that we may need), please contact us.

Hut Coordinator

For the last 2 years, Susan Knight has been a great hut coordinator. Thanks so much for all the work you put in Susan! Hut duty will be a different monster for the 2010 2011 ski season. The ticket booth is part of the main chalet, and will therefore be heated, spacious, social and lots of fun! Even with all these perks, we still need a willing volunteer to organize the shifts. Are YOU interested? Is someone you know interested? If so, please let us know.

Day Lodge

Construction is going according to plan. The lodge will be a huge asset to XC Skiing in Revelstoke. Thank you to the volunteers who have been helping with staining and other tasks.
